

# WIQA

# Introduction

- The following ciphers are designed to educate the user on the principles of Moon Arithmetic

# Ciphers

- WIQA A Cipher
- WIQA B Cipher
- WIQA BA Cipher
- WIQA BB Cipher
- WIQA BC Cipher

# Origin

- Inspired by Ancient Egyptian Vignettes

# FTU

- Pronounced FETU
- Egyptian for the number four (4)
- Write FTU on a sheet of paper, circle it

# FTU

- Write F T U on the line below
- F = Multiplication
- T = Addition
- U = Subtraction
- Spacing the letters of FTU = Division

# FTU

- Circling and crossing the T = XOR
- XOR = Addition modulo 2
- Addition modulo 2 =
